Client shall pay BYSKY the fees as selected by Client on the BySky signup forms. These fees shall be due upon Client's execution of this agreement.

Client agrees to a contract term commitment of 12 months or 24 months as selected on the Service Order Form. **In the event that Client terminates service during the Contract Term, the remainder of all scheduled payments are due to BYSKY immediately.**

Client agrees to hold all password and authentication information to BYSKY's service confidential.

- Damage to equipment or property as a result of lightning, wind, or other acts of God.

Client understands that wireless Internet connectivity requires direct radio line of sight, and that any obstruction between BYSKY and client's antenna will probably block the signal.

This agreement shall commence on the date the Connection is activated (the "Activation Date") which shall be defined by the signing date by Client on the BySky signup forms and remain in effect for the length of the Contract term. At the end of the Contract Term, this agreement shall remain in effect on a month-to-month or quarter-to-quarter basis whereby either party may terminate the agreement with a 30 day prior notice. BYSKY reserves the right to change its rates for any renewal term by notifying Client at least 30 days in advance of the effective date of such a rate change. Client acknowledges that circumstances beyond the control of BYSKY may cause a delay in turning up the Connection in which case the term of this Agreement shall commence on the date the Connection is activated; provided, however, in the event the delay in activating the Connection is the result of Client's failure to comply with or provide any of the Requirements of the term of this Agreement it shall then commence on the signing date.

Client will be billed for access in advance at the end of each calendar month for the NEXT calendar month, or in advance quarterly at the end of each calendar quarter for the NEXT calendar quarter. The first billing will be prorated to the end of the current period. If started in the middle of a period, the first payment will be prorated for that period plus the next period's fees in advance. There are no refunds for a period in which service is provided beyond the start of the period. Credit card billings will be automatic monthly in advance on the 25th of each month and by signing the signup form, Client agrees to authorize BySky to debit Client's account. BySky does not prorate service after the first month. All cancellation notices must be in writing and received before the end of a billing period. Client is responsible for adhering to BySky's terms of use as stated herein and as may be modified and published on www.bysky.com. Client is responsible for all collection fees BySky incurs related to Client's account. All payments are due prior to the first day of each period. Client's account will be subject to termination if payment is not received before the 1st day of any billing period in advance. Bad credit card transactions and bad checks are considered non-payment and must be rectified within a 5 day period. **There is a \$25 return check fee that must be paid at the same time the regular payment is rectified to continue with service.** Debit cards used as credit cards must have sufficient balances on account for processing on the 25th of each month. **There is a \$15 NSF fee which will be added to your monthly fee if a debit or credit card transaction fails and we need to contact you to resolve the issue.**

If Client terminates this Agreement anytime after implementation or if Client is terminated by BYSKY for violation of the Acceptable Use Policy, but before the contact expiration date, **Client will pay immediately a lump sum equal to the charges of the remainder of the term of the Agreement as follows; months remaining X monthly fee + equipment not returned. BySky may cancel this contract with all fees due if Client misses or is late on two or more concurrent payment periods. YOU AUTHORIZE BYSKY TO USE THE CREDIT CARD ON FILE WITH US TO OBTAIN THESE FEES.**
